# ROSTER OF CONGREGATIONS

As of September 30, 1987

The roster of congregations includes all member congregations as well as forming congregations of the Evangelical Lutheran Church in America. All changes and corrections in this roster should be reported to the office of the synod in which the congregation is located. The synod office will report the changes to the office of the secretary of the Evangelical Lutheran Church in America.

The location of the congregation is listed on the first line with the mailing address following on the second line. If the location and mailing address are identical, the address and zip code are listed on the first line.

Membership and financial statistics are those reported by the congregations as of December 31, 1986. A plus symbol (+) preceding the name of a congregation indicates that statistics for 1986 were not available and membership figures are those of a previous year.

The membership statistics are: **BAPT.**—baptized membership; **AV. ATT.**—average worship attendance. The financial statistics are: **CURR. EXPENSES**—current operating expenses; **BENEV.**—benevolence.

The congregations are identified with a five-digit code number following the region/synod designation.

## DIRECTORY OF LUTHERAN CAMPUS MINISTRY REPRESENTATIVES 1987-1988

The campus ministry program of the Evangelical Lutheran Church in America is conducted under the administration of the Division for Education. Names printed in upper case are ELCA professional staff members of campus ministry and chaplains at Lutheran colleges, the latter designated by (C). All other names are those of parish pastors or faculty persons under appointment to represent campus ministry.

Some campus ministries are conducted cooperatively with The Lutheran Church—Missouri Synod and are designated by ELCA/LCMS.

### **OBERAMMERGAU PASSION PLAY TOURS 1990**

Once every ten years in the beautiful Bavarian Alps the villagers of tiny Oberammergau recreate the sufferings and death of Jesus Christ in the now famous Passion Play.

When the "Black Plague" stopped just short of Oberammergau in 1632, during the Thirty Years War, the people gratefully vowed to give a presentation of the Passion of Christ every ten years. The first "Passion Play" took place in 1634.

All of the participants live in Oberammergau and no one from outside the village may take part. The presentation lasts all day with a short

intermission for the mid-day meal. The stage is in the open air so that the woods, mountains and sky provide a dramatic natural setting. The audience section, which seats 4800 persons, is covered by a roof.

Come and share in the opportunity to relive with Christians from the world over the Passion of our Lord. We have planned the following Oberammergau Tours to give you a choice as you look forward to 1990. Now is the time to make plans for this special event. Our low overhead makes it possible for you to take advantage of these exceptional travel costs. Why pay more when you can have the best for less?

Exact quotations, detailed itineraries, clear tour inclusions and care for all details assures you of a relaxing and rewarding trip. For information about forming a group from your parish and community, please call

# How does this landmark publication stand up to the Bible you're now using?

## Lutherans who dig deep into God's Word share their thoughts on The Concordia Self-Study Bible

Rev. David Bergman  
Hewitt, Texas

"The background on each book is superb; the notes are concise and informative. Dr. Hoerber's Introduction on the Principal Teachings of Scripture is a gem!"

"Having a study Bible organized from a unified, Lutheran doctrinal point of view is especially important as we face a world of conflicting religious opinions."

Rev. Donald Oldenburg  
Green Bay, Wisconsin

"This has to be one of the finest study Bibles to come out in some time, and especially a Lutheran study Bible at that! I'm constantly amazed at the wealth of information, charts, maps, and references that are contained on every page. I'm sure that our Bible classes will be experiencing some phenomenal growth in God's Word through this superior Bible."

Ralph A. Bohlmann, President  
The Lutheran Church—Missouri Synod

"(It's) a most useful resource for all students of the Scriptures. Its extensive notes provide very helpful insights into the specific meaning of the text, and the introductions place each book in its proper context as part of the unfolding of God's plan of salvation... (It) can do much to strengthen the life of the church by stimulating a greater use and understanding of the Word of God."

Rev. David Dissen  
Cape Girardeau, Missouri

"This is a superb self-study Bible and will prove to be a blessing for many years for all those who faithfully use it."

Take their advice. See how this distinctively Lutheran study Bible stands up to any other.

Compare its study notes, introductions, maps, charts, indexes, and concordance. Then make the most important comparison of all: compare its ability to enlighten your understanding of God's Word.

# Luther The Reformer

The new standard one-volume biography of Luther. A milestone publishing event from Augsburg.

*"...The best complete biography of Martin Luther."* Lewis W. Spitz.

Dr. James Kittelson, Ohio State Reformation historian, has drawn on the most recent scholarship and research and yet produced a book that reads like a novel. Lavishly illustrated with photos and woodcuts, with fresh information and insight, it presents Luther in every phase of his life—from peasant's son to monk—to pastor and defender of the faith. It brings to life this fascinating, brilliant, yet down-to-earth reformer. Destined to be a classic.

## Rambusch and Lutheran churches. It's an association spanning three generations.

For almost 90 years the Rambusch Studios have been enriching and beautifying Lutheran churches in America. One of the most significant commissions was for The Lutheran Theological Seminary in Gettysburg, Pennsylvania. One of the series illustrating the Christian Message as it relates to the evolution of the Lutheran faith pictures Martin Luther translating the Bible at the Wartburg Castle. Today, Rambusch is enjoying a revival of commissions for stained glass, renovation of interiors, lighting, liturgical furnishings, and important sculptural works. The artists, designers, and artisans at the Rambusch Studios are dedicated to serving you, developing distinguished art and craft work, fitting to your environment, needs and budget. We welcome your call.

## Suddenly you realize every moment counted.

He enjoyed the outdoors. He could throw a perfect 30-yard pass. He liked his hamburgers burnt and piled with onions. And he loved being a granddad.

In the course of a lifetime, every moment counts. And the time you spend planning financial security for your family ultimately proves to be a valuable investment.

It's no time to go it alone. Because making the smartest decision about your life insurance program is best accomplished with the help of a professional.

That's why AAL representatives are carefully selected and trained in their profession. They're equipped with the resources needed to give you individualized, long-range financial planning.

Professionalism, with both brains *and* heart, is what AAL is all about. When it comes to building financial security through life, health, retirement and disability income insurance, call your AAL representative. But don't delay. Every moment does count.

Financial security and personal service are only part of the benefits of membership in AAL. There's also a broad range of self-help programs and volunteer opportunities unique to the nation's largest fraternal benefit association. For more information, write: AAL, Appleton, Wisconsin 54919-0001.
