1989 Yearbook

Evangelical Lutheran Church in America

Published under the auspices of Lowell G. Almen, Secretary
Evangelical Lutheran Church in America

Note: The effective dates for the various directories and rosters in this yearbook, which range from March 31, 1988, to January 1, 1989, are noted at the beginning of each section. The rosters for ordained ministers, associates in ministry, and congregations are current as of March 31, 1988—the result of the time required to move computer data from the uniting churches into the new ELCA rosters-and-records system in Chicago and of delays in the full operation of some synod offices. However, removals because of death, resignation, or withdrawal have been updated on those three lists through November 1, 1988.

COMMISSION FOR COMMUNICATION

8765 West Higgins Road
 Chicago, Illinois 60631-4178
 Telephone: 312/380-2977
 Resource Information Service: 1-800/638-3522

This commission develops an overall communications strategy for the church—both internally and to the public. It sets up a communications system linking congregations, synods, regional centers for mission, and the churchwide offices. It also gathers and disseminates news about the church and its members, places guests and features in public media, and responds to inquiries about the church through its Resource Information Service.

The commission provides public relations counsel and support to church officers, and, on behalf of all churchwide units, provides interpretation services and produces *Seeds for the Parish* and the ACTION packet for congregational leaders. The commission also conducts a radio and television ministry, provides for non-English translations of interpretation materials, provides training in media matters, and maintains relationships with communication offices of other church bodies and ecumenical agencies.

ELCA BOARD OF PENSIONS*

**800 Marquette Avenue, Suite 1050
 Minneapolis, Minnesota 55402
 Telephone: 612/333-7651**

The Board of Pensions manages and operates the Pension and Other Benefits Program of the Evangelical Lutheran Church in America, and administers the benefit plans that continue from the ELCA's predecessor churches. Congregations, churchwide units, and church-related agencies are the primary sponsors of participants in the plans. In addition, ELCA ordained ministers working for certain other qualifying organizations may be sponsored by their employers. The board also administers alternative programs for church institutions such as ELCA-related nursing homes, governmental chaplains, and seminarians.

The Board of Pensions is incorporated and its executive director serves as president. The 21-member board includes persons with expertise in investments, insurance, and pensions, as well as three to five persons who are participants in the plans. Both the Churchwide Assembly and the Church Council have responsibilities for oversight of the board.

CONFERENCE OF BISHOPS

**8765 West Higgins Road
Chicago, Illinois 60631-4196
Telephone: 312/380-2550**

The Conference of Bishops meets at least twice a year. Made up of the 65 synodical bishops as well as the presiding bishop and secretary of the church, the conference provides opportunities for worship, spiritual renewal, and theological enrichment for those serving in these capacities. The Conference of Bishops has its own staff assisting the synodical bishops, staff, and committees to provide a first call/appointment process for candidates, and to support resources for rostered persons.

The conference has a special relationship with the Division for Ministry as it reviews recommendations related to ordained ministers and associates in ministry. The synodical bishops also work closely with the Office for Ecumenical Affairs in developing ecumenical documents and promoting Christian unity.

The Lutheran is the periodical of the Evangelical Lutheran Church in America. Circulation is 1,250,000, reaching about 70 percent of the households of ELCA members. Published 17 times each year, the magazine tells the story of the church, its people, and the world of religion through news and feature articles, departments, and editorial comment. It also includes news supplements for each synod. The Churchwide Assembly elects the editor for a four-year term, and a 10-member advisory committee has responsibility for the magazine.

Congregations

ROSTER OF CONGREGATIONS	71
CONGREGATIONS UNDER DEVELOPMENT	260
CONGREGATIONS CONSOLIDATED, MERGED, TRANSFERRED, RECEIVED, WITHDRAWN, OR DISBANDED	264

ROSTER OF CONGREGATIONS

As of March 31, 1988

The roster of congregations includes all member congregations as well as forming congregations of the Evangelical Lutheran Church in America. All changes and corrections in this roster should be reported to the office of the synod in which the congregation is located. The synod office will report the changes to the office of the secretary of the Evangelical Lutheran Church in America.

Congregations under development have been included on the roster through October 31, 1988. (Refer to the listing of congregations under development on pages 260-263.) Congregations that have consolidated, merged, transferred, withdrawn, or disbanded are identified on the roster through October 31, 1988. (Refer to listing on pages 264-266.)

The location of the congregation is listed on the first line with the mailing address following on the second line. If the location and mailing address are identical, the address and zip code are listed on the first line.

Membership and financial statistics are those reported by the congregations as of December 31, 1987. An asterisk (*) preceding the membership statistics of a congregation indicates that statistics for 1987 were not available and membership figures are those of a previous year.

The membership statistics are: **BAPT.**—baptized membership; **AV. ATT.**—average worship attendance. The financial statistics are: **CURR. EXPENSES**—current operating expenses; **BENEV.**—For congregations of the former American Lutheran Church benevolence is the total of general mission support, designated gifts, remittances to districts and conferences, approved causes, other benevolence, and ALCW Thankoffering. For congregations of the former Lutheran Church in America and the Association of Evangelical Lutheran Churches benevolence is the total of regular benevolence, and other benevolence.

Each congregation's five-digit identification number is shown after the region/synod designation.

On the beat in God's Country

Two or three days a week Reverend Terry Olthoff replaces his collar with a badge, his pulpit with a patrol car.

Because, besides serving as pastor of two different churches, Terry also does volunteer duty as a police chaplain.

His beat is the farm country of Yellow Medicine County, Minnesota. Folks call it "God's Country." Where endless acres of crops and dairy cattle surround crystal glacial lakes. And third and fourth-generation farmers struggle to hold on to their valued way of life and rugged independence.

Independent and isolated

The vast Minnesota prairies can also mean isolation. Personal problems are easily locked inside, unsolved. That's true for the farmers who work the soil and for the officers who patrol the ribbons of heartland highway. Here, Terry Olthoff has created a parish that's bound only by the next horizon.

Terry's clerical calling gives him an expertise at handling duties many police officers aren't trained to undertake. He counsels and consoles. He comforts victims of traffic accidents and victims

of crime. And helps families face the sudden loss of a loved one and farmers who must face losing the land they love as much as life itself.

Sharing God's love when and where it's needed

His presence in the police department also provides officers with a confidant who knows life from both sides of the badge. And he offers a spiritual resource to law enforcement personnel whose schedules may not allow them to attend regular worship services.

For Terry Olthoff, police chaplaincy is an ideal way to take the Gospel to the rural community. He's on call 24 hours a day, not just one morning a week. And he's there when trouble strikes, when people need the strength of spiritual comfort most.

Sharing spiritual and financial peace of mind

In rural America, where congregations and church funds are small, two or more churches will often pool resources to share the salary and expenses of a minister. Reverend Olthoff's pastoral duties include serving a United Methodist church in his hometown of Wood Lake as well as a nearby Presbyterian church.

The Reverend Terry Olthoff, Pastor and volunteer Police Chaplain in Yellow Medicine County, Minnesota. His story is just one of an inspiring series from Presbyterian Ministers' Fund celebrating the passion and commitment of ministers.

But even with two congregations to support him and his family, Terry's income remains below that of other professionals with comparable education and training. And that's a fact of life for most ministers around the world.

That's why the people at Presbyterian Ministers' Fund will continue to provide insurance and financial services to clergy and their families based on understanding the minister's way of life *and* the reasons for choosing it.

PMF was founded by a group of dedicated Christians 270 years ago. Today, we're still committed, still passionate about our service and yours. We believe it's essential that religious

professionals of all faiths can turn to a *colleague* for some good advice. Just as the police officers in Yellow Medicine County can turn to their colleague, Reverend Terry Olthoff.

Rambusch and Lutheran churches. It's an association spanning three generations.

For almost 90 years the Rambusch Studios have been enriching and beautifying Lutheran churches in America. One of the most significant commissions was for The Lutheran Theological Seminary in Gettysburg, Pennsylvania. One of the series illustrating the Christian Message as it relates to the evolution of the Lutheran faith pictures Martin Luther translating the Bible at the Wartburg Castle. Today, Rambusch is enjoying a revival of commissions for stained glass, renovation of interiors, lighting, liturgical furnishings, and important sculptural works. The artists, designers, and artisans at the Rambusch Studios are dedicated to serving you, developing distinguished art and craft work, fitting to your environment, needs and budget. We welcome your call.

That's why we recommend you consider participating in the Unified Insurance Program.

The Program is administered by Marsh & McLennan Group Associates and is based on voluntary participation. It is designed specifically for affiliated entities of the ELCA such as nursing homes, retirement homes, colleges, seminaries, residential therapy centers, group homes, district and synod offices, multi-service organizations and other related non-congregational facilities within the church structure.

Marsh & McLennan, the world's oldest and largest insurance brokerage firm has administered this type of Insurance Program for the ALC for over 25 years. It has the people, technology, and resources needed to give you the attention you deserve.

Our brochure outlines the basic coverages provided in the program. The inserts in this brochure will explain special coverages available that may apply to your individual operation. Please write or call to obtain a brochure.

Lutherans who dig deep into God's Word share their thoughts on **The Concordia Self-Study Bible**

Rev. David Bergman
Hewitt, Texas _____

"The background on each book is superb; the notes are concise and informative. Dr. Hoerber's Introduction on the Principal Teachings of Scripture is a gem!"

"Having a study Bible organized from a unified, Lutheran doctrinal point of view is especially important as we face a world of conflicting religious opinions."

Rev. Donald Oldenburg
Green Bay, Wisconsin _____

"This has to be one of the finest study Bibles to come out in some time, and especially a Lutheran study Bible at that! I'm constantly amazed at the wealth of information, charts, maps, and references that are contained on every page. I'm sure that our Bible classes will be experiencing some phenomenal growth in God's Word through this superior Bible."

Ralph A. Bohlmann, President
The Lutheran Church—Missouri Synod _____

"(It's) a most useful resource for all students of the Scriptures. Its extensive notes provide very helpful insights into the specific meaning of the text, and the introductions place each book in its proper context as part of the unfolding of God's plan of salvation... (It) can do much to strengthen the life of the church by stimulating a greater use and understanding of the Word of God."

Rev. David Dissen
Cape Girardeau, Missouri _____

"This is a superb self-study Bible and will prove to a blessing for many years for all those who faithfully use it."

Messengers of Christ LUTHERAN BIBLE TRANSLATORS

25TH ANNIVERSARY 1964-1989

WRITE THE VISION SO IT MAY LIVE

Throughout 1989 Lutheran Bible Translators is celebrating 25 years of Bible translation and literacy work. In 1964 LBT joined in the effort with church bodies and other mission groups to help bring the written Word of God to people in their own languages.

Holy Scripture — written in the languages people understand best — helps guide many to faith in Jesus Christ . . . and it also strengthens them in that faith.

LBT has sent nearly 300 Lutherans to serve in this specialized ministry and the organization now has missionaries assigned to 17 countries. Linguists working for Lutheran Bible Translators have helped finish 6 New Testament translations and are currently involved in over 30 language projects.

Materials are available to help congregations, schools, and organizations celebrate the 25th Anniversary of Lutheran Bible Translators.

PARTNERS

VALPARAISO UNIVERSITY
OFFICE OF THE PRESIDENT

A Letter to the Churches

Partners in our Lord's service:

Congregations have an awesome assignment -- week after week preparing people to respond to the situations they encounter in the spirit of the forgiving and empowering Christ. That is a profound ministry.

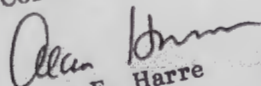

Valparaiso University sees its ministry as being similar -- preparing the young men and women entrusted to us as nurses, engineers, attorneys, teachers, administrators, journalists, chemists, and professionals in over 70 different fields who can respond wisely to the world's needs in the style and spirit of Christ. And we look forward to their filling roles of leadership and service in the churches and in the communities those churches serve.

So, you see, we really are partners in ministry. Churches demonstrate this partnership when giving guidance to prospective students and their parents by encouraging them to consider a Valparaiso education. We are grateful for this, and for prayers spoken on our behalf, and for gifts and other support.

We are eager to demonstrate our partner relationship also and, therefore, offer to the churches and their members such services as our annual Institute on Law and Pastoral Ministry, the Church Music Seminar, Elderhostel, devotional leaders' aids, sermonic and church administration helps, and we host various other meetings such as pastoral conferences, the Institute of Liturgical Studies, and the like.

Keep us please in your hearts and your prayers.

Cordially,

Alan F. Harre
President

AAL: Because there are times when you shouldn't have to go it alone.

© 1987 Aid Association for Lutherans

Two weeks in traction, twelve weeks on wheels.

And you still haven't gotten over the surprise. One moment you're fine, the next you're in a green room that smells like a medicine cabinet, and it hurts when you laugh.

That's just the beginning, too. If you ever find yourself checking into a hospital room, you know you'll be on your way to recovery a lot quicker if you don't have to worry about all those medical bills, loss of income, mortgage payments and other financial obligations.

It's a time when you shouldn't have to go it alone. The comfort of friends, with a couple of jokes thrown in, is good medicine. And so is the support of your AAL health and disability income insurance.* It makes it easier on your state of mind—and those depending on you.

If you're not adequately protected for some of life's not-so-little surprises, call the AAL agency in your area. Your AAL representative will set the wheels in motion to provide you with the protection you need.

Financial security and personal service are only part of the benefits of membership in AAL. There's also a broad range of self-help programs and volunteer opportunities unique to the nation's largest fraternal benefit association.
