All changes of address and position are to be reported to the office of the synod in which the person is listed on the roster. The synod office, in turn, is to report these changes to the Rev. Lowell G. Almen, secretary of the Evangelical Lutheran Church in America.

The roster of Associates in Ministry include the following categories:

- ELCA Certified Associates in Ministry (Evangelical Lutheran Church in America)
- Commissioned Church Staff (The American Lutheran Church)
- Deaconesses and Deacons (Association of Evangelical Lutheran Churches)
- Deaconesses (The American Lutheran Church)
- Deaconesses (Lutheran Church in America)
- Lay Professional Leaders (Lutheran Church in America)
- Commissioned Teachers (Association of Evangelical Lutheran Churches)

The designation (RT) following names indicates retired persons.

A key to the region and synod designations in this list (Examples: 3C, 9E) is found at the beginning of the Roster of Ordained Ministers, page 260.

LUTHERAN SCHOOLS

The kindergartens, elementary, and secondary schools included in this directory as reported on August 1, 1991, are financially supported and governed by one or more ELCA congregations, synods, or an ELCA college or university. Some of the schools listed also have a prekindergarten level or early childhood education (ECE) center. Such a center is indicated in this listing as a nursery (N), preschool (P), child care (CC), or day care (DC) program.

In addition to the schools listed here, many ELCA congregations own and operate other centers which are exclusively for early childhood education (ECE). Because of space limitations, they are not included here.

For information about ELCA-related schools and ECE centers, contact Billie N. Navarro, Director for Schools, Division for Higher Education and Schools, Evangelical Lutheran Church in America, 8765 West Higgins Road, Chicago, IL 60631-4194. Telephone: 312/380-2857.

SPECIAL INTEREST CONFERENCES/ ETHNIC ASSOCIATIONS

This church cherishes the diversity of cultural and linguistic groups as they are brought together in the geographic synods, recognizing, however, that these groups may be able to meet needs and share resources through special interest conferences, which for the present cannot occur in the regular life within the geographic synods (ELCA Constitution 11.01). Special interest conferences relate to the Department for Ecumenical Affairs. Ethnic associations relate to the Commission for Multicultural Ministries.

A Program that Strengthens Each Congregation

The Evangelical Lutheran Church in America Insurance Program is the result of a long-time partnership between Atlantic Mutual, our insurer; Frank B. Hall, our program administrator; the ELCA Office of the Treasurer and thousands of congregations across the country. Today, this program is available to every ELCA congregation in the U.S., without regard to the age, location or construction type of its sanctuary.

Our program includes the basic building blocks of protection most churches need. Yet, it can accommodate the special needs of individual churches.

Our program uses the combined strength of thousands of congregations to keep insurance costs low. So that one of the most important investments a congregation can make will be an asset, not a burden.

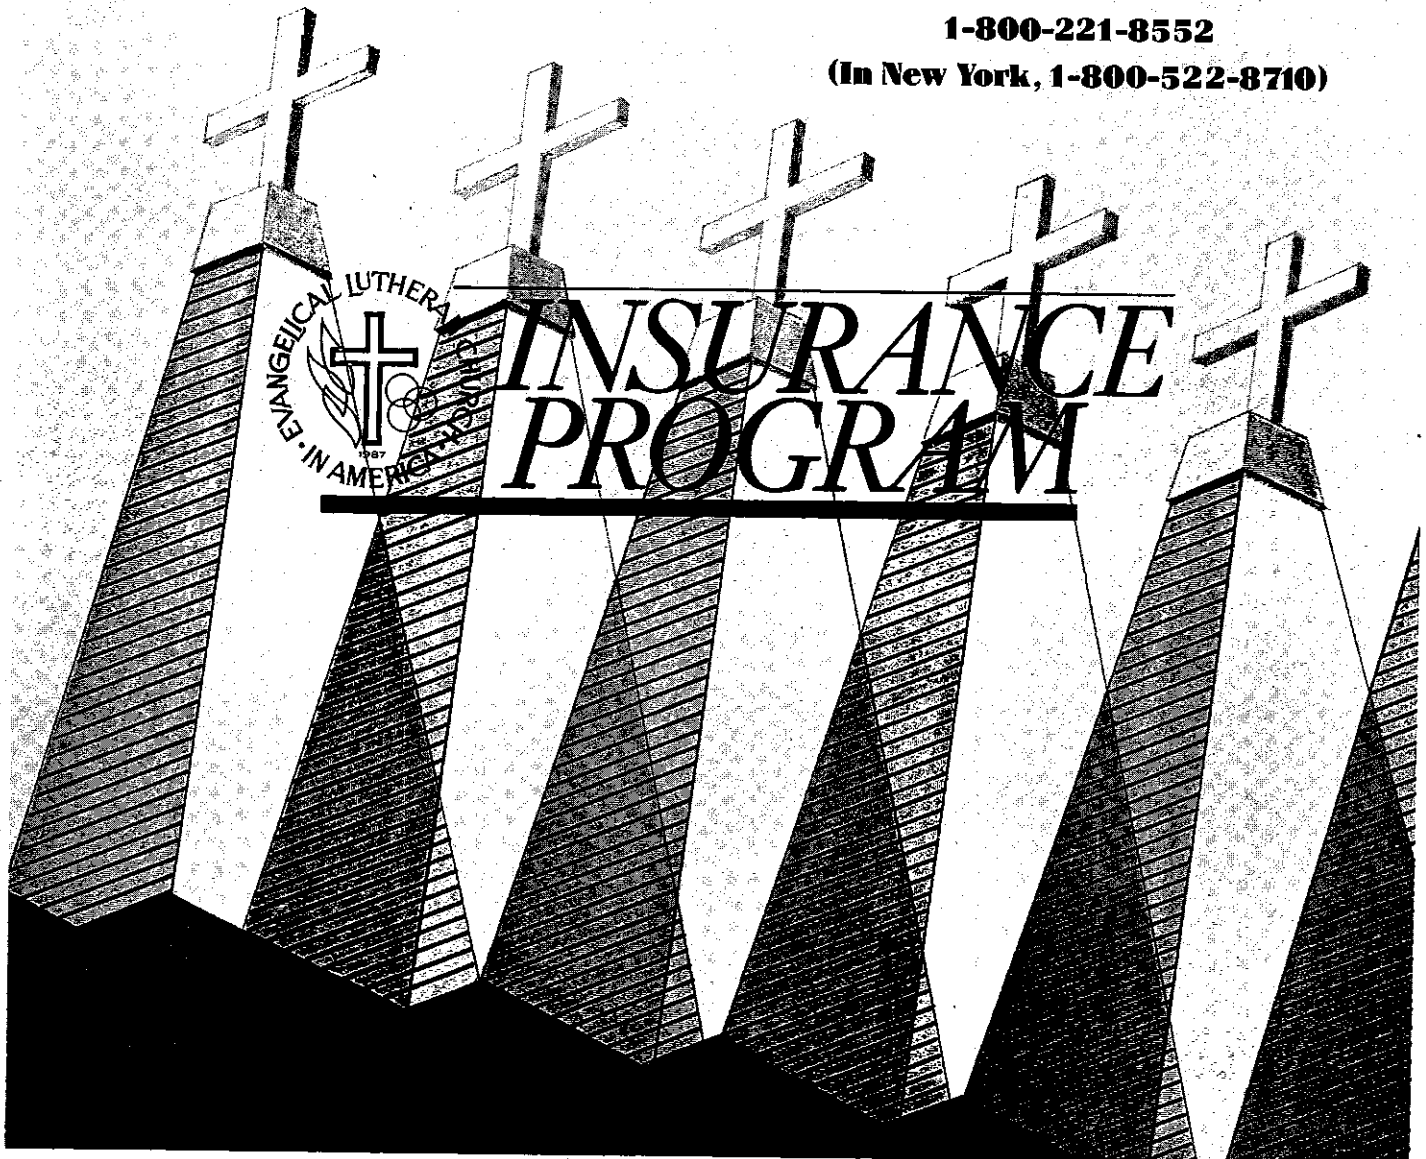

Our program offers levels and kinds of protection undreamt of just a few years ago. Because as society has changed and your needs have evolved, our program has added new and expanded coverages, "one brick at a time". Today, it stands as the benchmark by which all church insurance should be measured.

The Evangelical Lutheran Church in America is built on a firm foundation...of pride in our heritage...in our people...in the programs we offer to our congregations. Today, one of those programs, the ELCA Insurance Program, is keeping our congregations strong and helping them build for the future. Like the church itself, it grows stronger with each passing year and each new congregation.

Some things just can't be expressed in words...

Rodgers introduces a breakthrough in advanced digital waveform processing: Parallel Digital Imaging technology. PDI™ technology combines the equivalent power of up to 25 IBM-AT class computers running in a parallel-processor network to generate the most convincing digital organ sound ever achieved. PDI™ technology then goes beyond digital sampling to create even warmer and more realistic pipe organ sound for each rank. This performance virtually eliminates harmonic distortion to provide crystal-clear tone. Listen for yourself. After you've heard a Rodgers Classic Organ, or a Rodgers Pipe Organ, we think you'll agree: there's no finer organ available.

A word from America's most extraordinary financial services organization.

Over the years, Lutheran Brotherhood has built a solid reputation in life insurance.

And that's very good.

But we also provide one of the broadest selections of high quality investment opportunities in the entire financial services industry.

And that's not nearly as well known as it should be.

So we would like to re-introduce ourselves to you.

We're a sound, stable fraternal benefit society. Our financial strength has earned us A. M. Best's highest rating (A+) for such factors as our long history of uninterrupted dividend payments.

And Standard & Poor's has given us its top rating (AAA) for our claims-paying ability.

Our many products include mutual funds, retirement plans, annuities, life and disability income insurance, and much more.

And we offer the flexibility to update your program as your needs change.

Service? Our representatives are all carefully selected and highly professional.

And they will work closely with you to help you map out your own personal financial strategy.

The final result is a well-thought-out portfolio tailored to your specific needs.

Because we are a membership organization for Lutherans, a fraternal benefit society, service has another

special meaning for us:

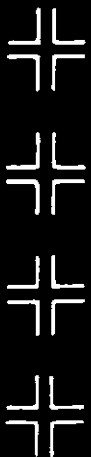

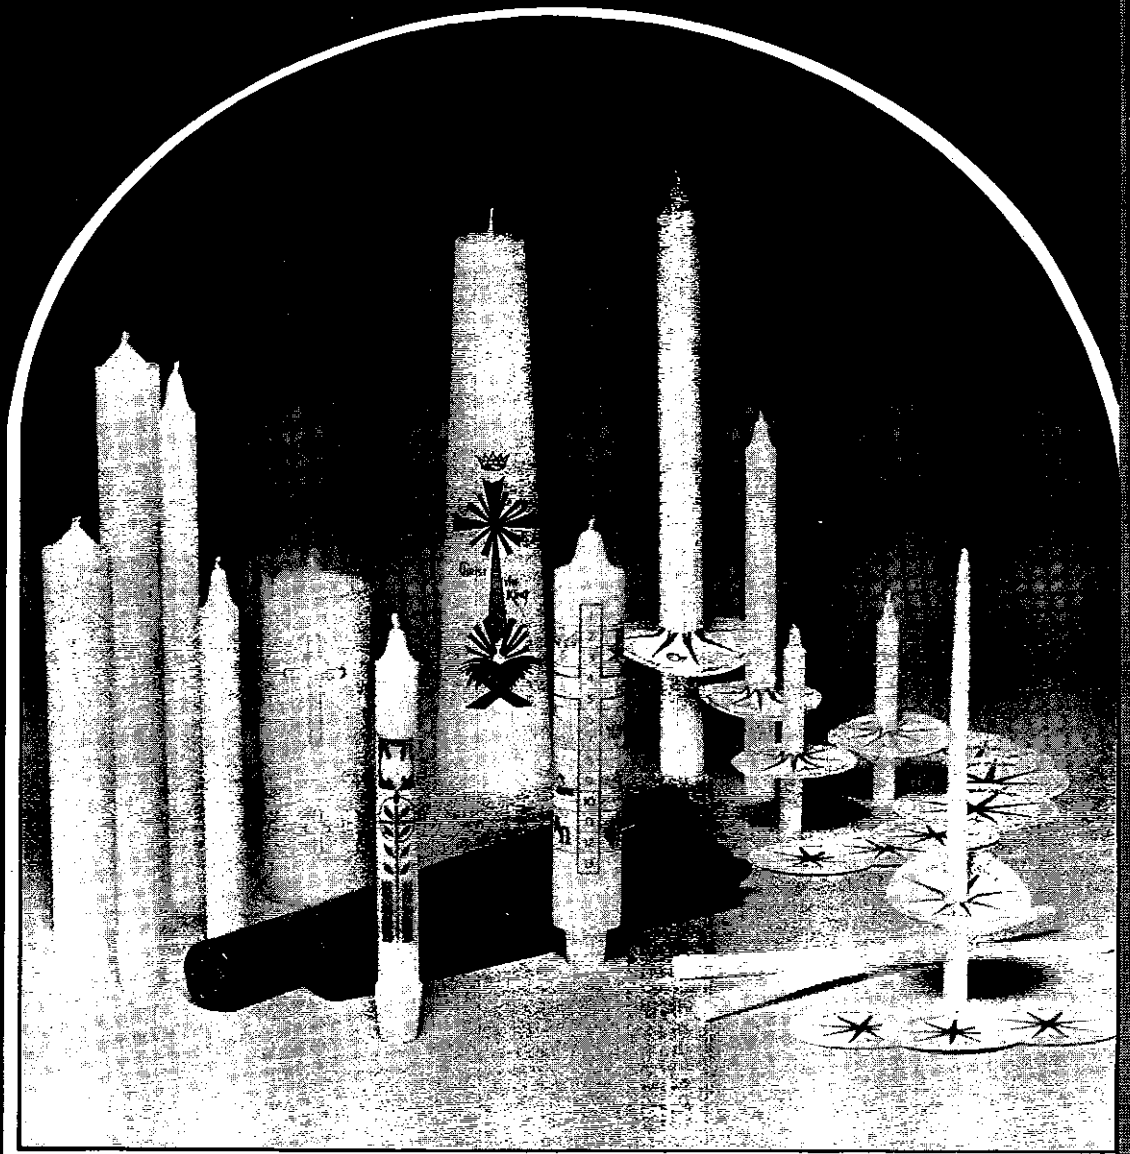

Each year, Lutheran Brotherhood supports and participates in community outreach programs and Lutheran institutions all over the United States, ranging from disaster relief to college scholarships.

Now that you understand us better, go right ahead and give our local representative a call. And let's get better acquainted.

Lutheran Brotherhood. A lot of services for your money.

In these days of hurried times, it is indeed a rare occasion when one finds a product created with old world hand craftsmanship and originality. At Cathedral Candle Company, established in 1897, church candles are made in a way of the past that is still a way of the present...with deep-rooted family skills and an uncompromising dedication to superior candle craftsmanship.

Candles are not all created equal. The grade of materials and skills used in manufacturing ascertain the quality of performance between one brand and another. At Cathedral Candle Company, church candles are hand-crafted with only choice pure, natural waxes. These unequaled waxes are highly favored for their matchless bleaching and burning qualities.
