*The Lutheran* is the periodical of the Evangelical Lutheran Church in America. Circulation is 950,000, reaching about 70 percent of the households of ELCA members. # ROSTER OF CONGREGATIONS

As of August 1, 1992

The roster of congregations includes all member congregations as well as forming congregations of the Evangelical Lutheran Church in America. All changes and corrections in this roster should be reported to the office of the synod in which the congregation is located. The synod office will report the changes to the Office of the Secretary of the Evangelical Lutheran Church in America.

Congregations under development have been included on the roster through August 1, 1992. (Refer to the listing of congregations under development on pages 260-263.) Congregations that have consolidated, merged, withdrawn, or disbanded are identified on the roster through August 1, 1992. (Refer to listing on page 265.)

The location of the congregation is listed on the first line with the mailing address following on the second line. If the location and mailing address are identical, the address and zip code are listed on the first line.

Membership and financial statistics are those reported by the congregations as of December 31, 1991. An asterisk (\*) preceding the membership statistics of a congregation indicates that statistics for 1991 were not available and figures are those of a previous year.

The membership statistics are: **BAPT.**—baptized membership; **AV. ATT.**—average worship attendance. The financial statistics are: **CURR. EXPENSES**—current operating expenses; **BENEV.**—the sum of Proportionate Share, World Hunger Appeal, Mission Partners, Missionary Sponsorship, designated gifts, ELCA mission appeals, synod special benevolences, local community benevolences, and other benevolences.

Each congregation's five-digit identification number is shown after the region/synod designation.

# LUTHERAN SCHOOLS

The kindergartens, elementary, and secondary schools included in this directory as reported on August 1, 1992, are financially supported and governed by one or more ELCA congregations, synods, or an ELCA college or university. Some of the schools also have a prekindergarten level or early childhood education (ECE) center. Such centers have been listed by the schools variously as a nursery (N), preschool (P), child care (CC), or day care (DC) program.

In addition to the schools listed here, many ELCA congregations own and operate other centers that are exclusively for early childhood education (ECE). Because of space limitations, they are not included here.

For information about ELCA-related schools and ECE centers, contact Billie N. Navarro, director for schools, Division for Higher Education and Schools, Evangelical Lutheran Church in America, 8765 West Higgins Road, Chicago, IL 60631-4194. Telephone: 312/380-2857.

## KINDERGARTENS

In the schools listed below, the kindergarten is usually the highest grade offered. A prekindergarten level, early childhood education (ECE) center [listed also as nursery (N), preschool (P), child care (CC), or day care (DC) program] may be connected to the kindergarten. Such centers also may be connected to an elementary school (see listing below).

# SPECIAL INTEREST CONFERENCES/ ETHNIC ASSOCIATIONS

This church cherishes the diversity of cultural and linguistic groups as they are brought together in the geographic synods, recognizing, however, that these groups may be able to meet needs and share resources through special interest conferences, which for the present cannot occur in the regular life within the geographic synods (ELCA Constitution 11.01.). Special interest conferences relate to the Department for Ecumenical Affairs. Ethnic associations relate to the Commission for Multicultural Ministries.

# EXTEND YOUR MINISTRY INTO EVERY HOME

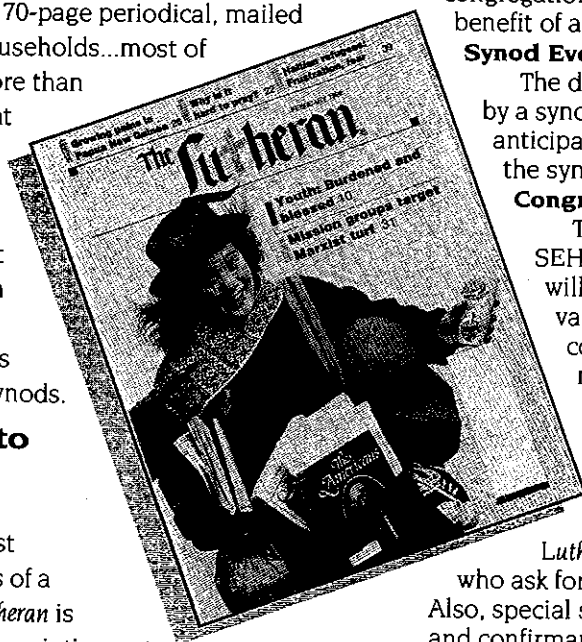

*The Lutheran*, as the monthly magazine of the Evangelical Lutheran Church in America, is the basic communication resource of the church, and assists in the ministry of the local congregation.

*The Lutheran* is a monthly, 70-page periodical, mailed directly to nearly a million households...most of whom are members of the more than 7,000 ELCA congregations that provide Every-Home Plan subscriptions.

Several editions of *The Lutheran* include a supplement from the ELCA synod of which the reader is a member—62 supplements in all—as many as twelve times a year in some synods.

## How to subscribe to *The Lutheran* Every-Home Plans

The most effective and least expensive way for the members of a congregation to receive *The Lutheran* is through Every-Home Plans. Subscriptions, at about half the cost of individual subscriptions, are provided through the congregational budget. The congregation, however, may choose to offset the cost through special offerings. Every-Home Plan subscriptions should include all active, resident member households in the congregation and any others you so choose.

There are three types of Every-Home Plans:

### Regional Every-Home Plan (REHP).

The REHP is shared by several synods in the region and used by their congregations. Similar to synod and congregational Every-Home Plans, a REHP has the added benefit of a regional supplement several times a year.

### Synod Every-Home Plan (SEHP).

The decision for a synod-wide plan is established by a synod assembly or synod council. The plan anticipates the participation of all congregations in the synod and provides the best rate per household.

### Congregational Every-Home Plan (CEHP).

These plans are used in synods without SEHPs. As with the synod-wide plan, subscribers will normally receive synod news supplements, varying according to the number of participating congregations in the synod and the supplement's publication schedule. The CEHP rate is slightly more than a SEHP and is billed by the publisher direct to the congregation.

### Individual Subscriptions.

Individual subscriptions are, of course, available to those who do not receive *The Lutheran* through an Every-Home Plan. And those who ask for it can still receive their synod's supplement. Also, special subscription rates are available for students and confirmands.

### Invitation to education

For youth and adult studies, we invite you to use *The Lutheran* to add a new face to your congregation's Christian education program. If your congregation currently subscribes to an Every-Home Plan, we hope you see new value in your investment. If you would like to initiate an Every-Home Plan in your congregation, simply call:

In these days of hurried times, it is indeed a rare occasion when one finds a product created with old world hand craftsmanship and originality. At Cathedral Candle Company, established in 1897, church candles are made in a way of the past that is still a way of the present...with deep-rooted family skills and an uncompromising dedication to superior candle craftsmanship.

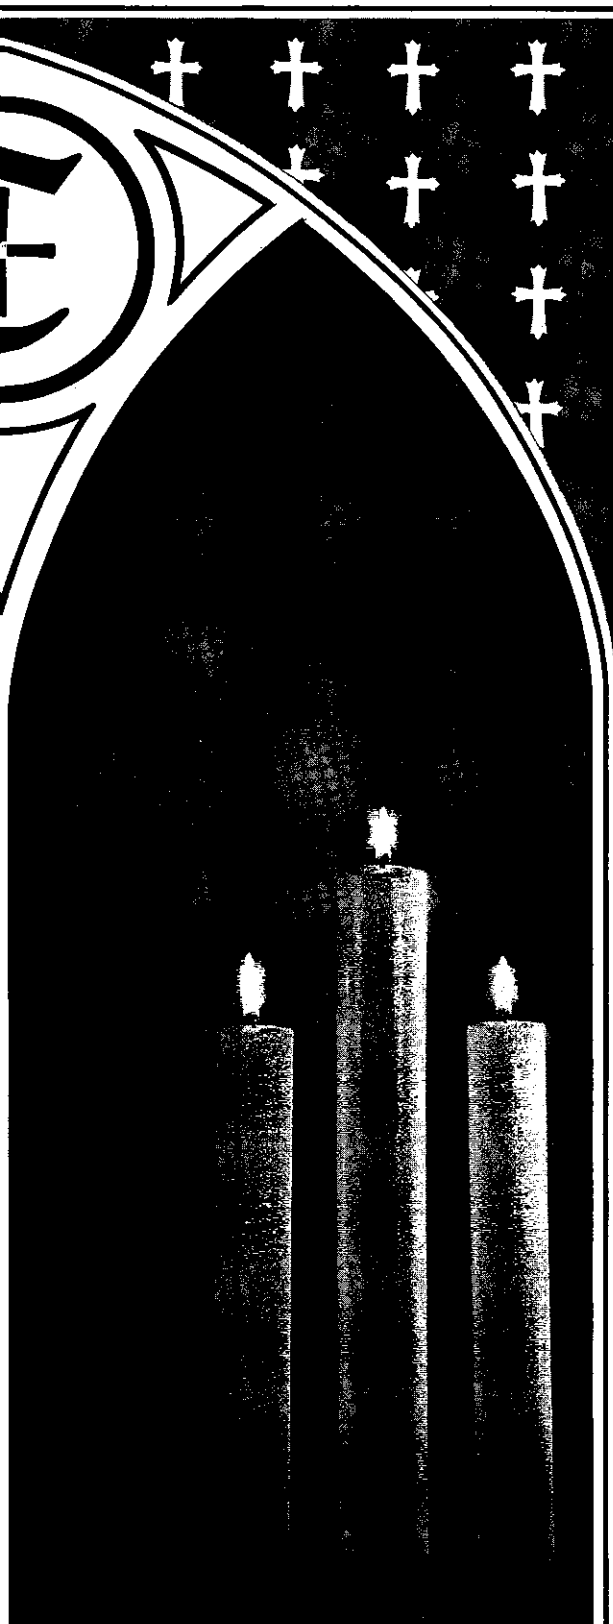

Candles are not all created equal. The grade of materials and skills used in manufacturing ascertain the quality of performance between one brand and another. At Cathedral Candle Company, church candles are hand-crafted with only choice pure, natural waxes. These unequaled waxes are highly favored for their matchless bleaching and burning qualities.
