Evangelical Lutheran Church in America

Stir us, Lord

Introducing...ELCAAdvantage™

Put the ELCA Advantage to work for you!

ELCA congregations and affiliated institutions, take note: A new program called the **ELCAAdvantage™** can save you money on many routine purchases, so your financial resources can go further toward ministry and mission. It's simple, and there are no strings attached. The

Boise Cascade Office Products

chasing power to work. **ups** of agencies, institutions,

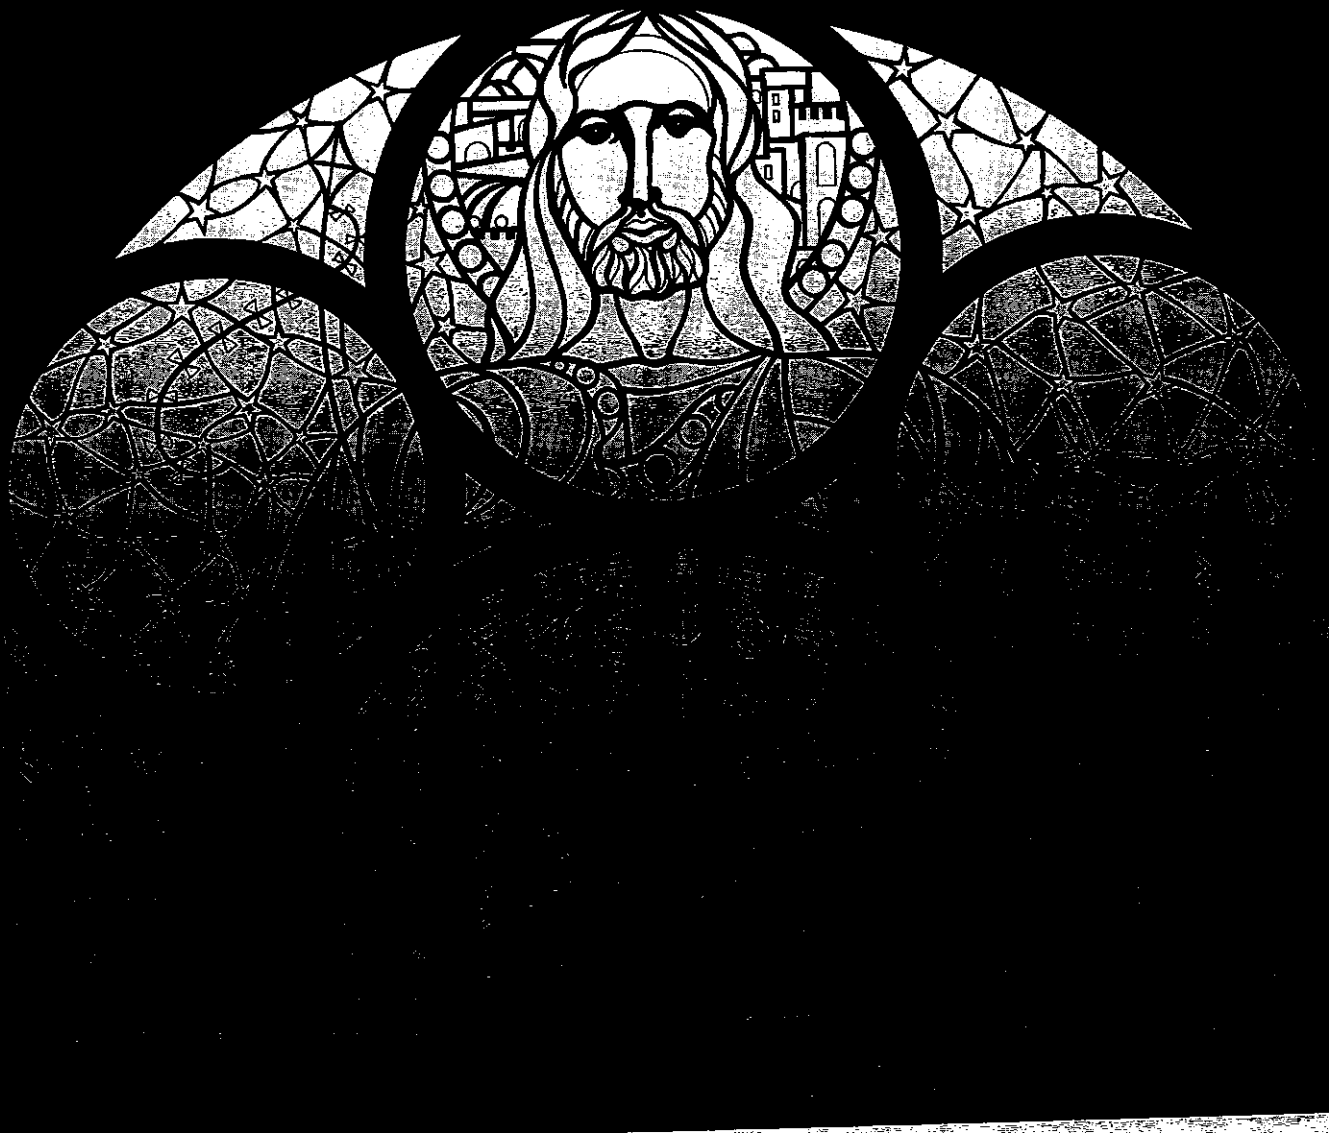

ELCAAdvantage™ program puts our collective purchasing power to work. Because the ELCA is made up of more than 11,000 congregations—plus hundreds

of agencies, institutions, **MCI** and organizations—many companies are willing to offer volume buying discounts to ELCA affiliated organizations that use their products and services. These corporations are leading providers of goods and services and currently include those whose logos appear throughout the text on

this page. As the program grows, more companies, providing **PitneyBowes** equipment, products, and services that are used everyday, will be added. And since **AOE** prices go down as volume goes up, the more we all use these companies, the more we all save. The **ABDICK** **ELCAAdvantage™** represents good, Christian stewardship—and everyone's participation counts. The more **GRAEBEL VAN LINES** we save, the more our congregations, financial resources we will have for effective ministries in **RELOCATION** communities, and the world. It makes perfect sense—for the ELCA and our affiliated agencies, institutions, and organizations. For an informational brochure, please call the ELCA **océ** Resource Information Service at 800-638-3522 today. Because the sooner you take advantage of the program, the sooner we all will save money.

In these days of hurried times, it is indeed a rare occasion when one finds a product created with old world hand craftsmanship and originality. At Cathedral Candle Company, established in 1897, church candles are made in a way of the past that is still a way of the present...with deep-rooted family skills and an uncompromising dedication to superior candle craftsmanship.

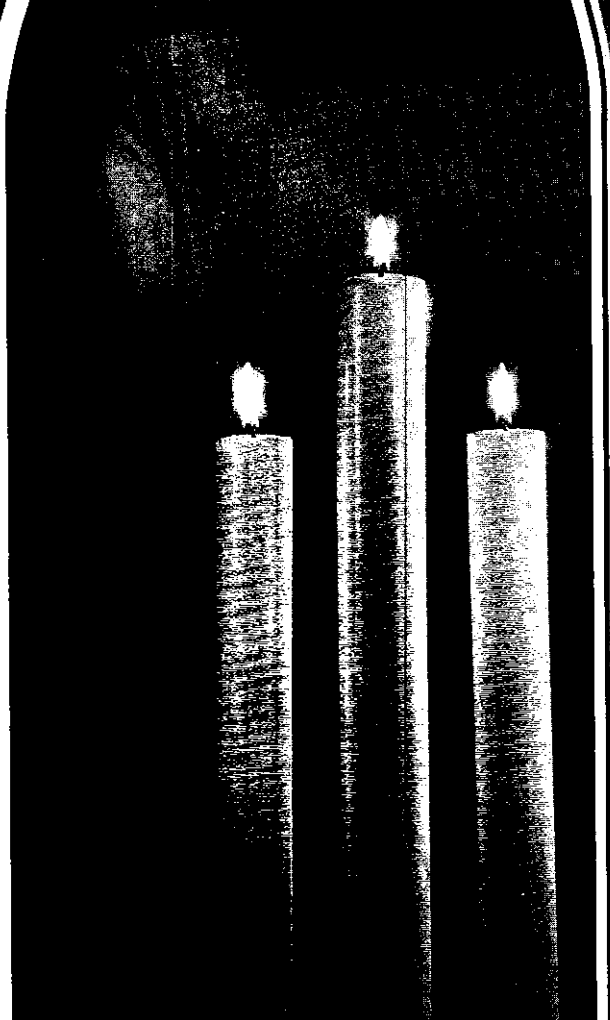

Candles are not all created equal. The grade of materials and skills used in manufacturing ascertain the quality of performance between one brand and another. At Cathedral Candle Company, church candles are hand-crafted with only choice pure, natural waxes. These unequalled waxes are highly favored for their matchless bleaching and burning qualities.

SOUND JUDGEMENT

The Chronieler II

When selecting an electronic organ the most important criterion should be how closely the sound resembles a pipe organ. Period!

Compared to pipe organ sound, Ahlborn-Galanti scores high marks. When compared to competitors, our sound wins hands down.

"We are enjoying the sound the instrument gives in our worship services... [it's] more than we ever expected and many ask, 'where are the pipes?'"

*The Rev. Albert B. Colpitts, Pastor
St. Catherine of Sienna Church
Norway, Maine*

Discover the sound so many have found a refreshing change from the usual electronic organ. For more information contact:

Telephone: 312/380-2560
800/638-3522

The Division for Congregational Ministries, working in partnership with congregations, synods, regions, and other units of the churchwide organization, provides support for congregations as they carry out their ministry. It also provides a financial support program for this church. To fulfill these responsibilities, the division (a) develops integrated programs and resources, and provides services, in cooperation with other churchwide units, in support of congregations in such major areas as worship, education, evangelism, stewardship, congregational social ministry, congregational planning, service and justice, and lay leadership; and (b) develops and delivers programs to enable members and congregations to respond financially in support of this church's ministry in congregations, synods, agencies, institutions, and the churchwide organization.

The Division for Congregational Ministries also relates to four churchwide organizations: Lutheran Youth Organization, Lutheran Men in Mission, ELCA Outdoor Ministries, and Lutheran Laity Movement for Stewardship.

The Lutheran is the periodical of the Evangelical Lutheran Church in America. Circulation is 900,000, reaching about 65 percent of the households of ELCA members. Published 12 times each year, the magazine tells the story of the church, its people, and the world of religion through news and feature articles, departments, and editorial comment. It also includes news supplements for each synod. The Churchwide Assembly elects the editor for a four-year term, and a 10-member advisory committee, elected by the Church Council, has responsibility for the magazine.

ROSTER OF CONGREGATIONS

As of August 1, 1993

The roster of congregations includes all member congregations as well as forming congregations of the Evangelical Lutheran Church in America. All changes and corrections in this roster should be reported to the office of the synod in which the congregation is located. The synod office will report the changes to the Office of the Secretary of the Evangelical Lutheran Church in America.

Congregations under development have been included on the roster through August 1, 1993. (Refer to the listing of congregations under development on pages 257-260.) Congregations that have consolidated, merged, withdrawn, or disbanded are identified on the roster through August 1, 1993. (Refer to listing on page 262.)

The location of the congregation is listed on the first line with the mailing address following on the second line. If the location and mailing address are identical, the address and zip code are listed on the first line.

Membership and financial statistics are those reported by the congregations as of December 31, 1992. An asterisk (*) preceding the membership statistics of a congregation indicates that statistics for 1992 were not available and figures are those of a previous year.

The membership statistics are: **BAPT.**—baptized membership; **AV. ATT.**—average worship attendance. The financial statistics are: **CURR. EXPENSES**—current operating expenses; **BENEV.**—the sum of Proportionate Share, World Hunger Appeal—Disaster Response, Mission Partners, Missionary Sponsorship, designated gifts, ELCA special offerings, synod special benevolences, local community benevolences, and other benevolences.

Each congregation's five-digit identification number is shown after the region/synod designation.

LUTHERAN SCHOOLS

The schools included in this directory, as reported on October 1, 1993, are schools that operate under the sponsorship of a single ELCA congregation or institution of higher education, or that are owned and operated by an association consisting of more than one ELCA congregation, or an association of at least one ELCA congregation and congregations of other Lutheran church bodies.

Many ELCA congregations sponsor centers that are exclusively for early childhood education (ECE). Because of the space limitations, they are not included here. Only schools that include grades kindergarten or above are listed.

Codes: P=Preschool, K=Kindergarten, C=Childcare, N=Nursery. Numbers are used for grades 1 and above.

For more information about ELCA-related schools and ECE centers, contact Billie N. Navarro, director for schools, Division for Higher Education and Schools, Evangelical Lutheran Church in America, 8765 W. Higgins Rd., Chicago, IL 60631-4194. Telephone: 312/380-2857.

SPECIAL INTEREST CONFERENCES/ ETHNIC ASSOCIATIONS

This church cherishes the diversity of cultural and linguistic groups as they are brought together in the geographic synods, recognizing, however, that these groups may be able to meet needs and share resources through special interest conferences, which for the present cannot occur in the regular life within the geographic synods (ELCA Constitution 11.01.). Special interest conferences relate to the Department for Ecumenical Affairs. Ethnic associations relate to the Commission for Multicultural Ministries.

MEETING EVERY NEED

Worship spaces come in many shapes and sizes. Music programs may differ substantially one from another. Congregations have widely divergent needs and priorities. And no two budgets are exactly alike.

Whatever your needs may be, Allen can meet them. In its second half-century, with more than 20 years of pioneering leadership in digital tone generation, Allen remains the international leader in the organ industry.

The company that builds some of the largest organs in the world also builds some of the smallest. Every one is an Allen Organ. Let the world's largest builder of church organs meet your needs.

Involve, inform, and activate your congregation!

Average per capita giving is \$39.44 higher in churches with the Every Home Plan¹.

If you could think of a "magic formula" to increase the commitment of your congregation members, chances are you'd act on it. Immediately.

There are no fool-proof methods, of course. But there is one step that more than 6,000 churches have found to be very effective: Subscribe to *The Lutheran's* Every Home Plan.

Just consider these facts:

- People who get *The Lutheran* are extremely active church-goers: More than three out of five worship at church every week.²
- They are deeply involved in church functions: More than 57% participate as ushers, teachers, council and choir members, and in other ways.²

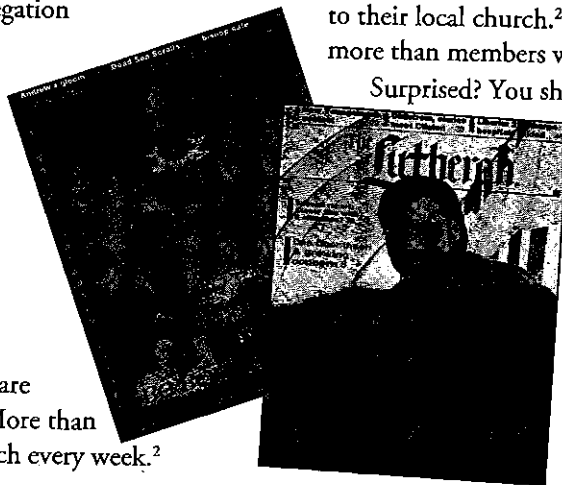

- They contribute heavily: More than 93% contribute to their local church.² And on average they give \$39.44 more than members whose churches don't subscribe.¹

Surprised? You shouldn't be. After all, *The Lutheran*

visits every member's home every month with news that makes us proud to be Lutherans. Features that help to strengthen our families. Essays to inspire faith, thought and involvement. And pictures that introduce us to fellow Lutherans everywhere.

In short, *The Lutheran* works hard for your church and its ministry. And here's the best news: The Every Home Plan is

only \$5.30 per household. So please call for more information today.

20/20 VISION

It's not always easy to get a clear picture of the health of your church or ministry. All people have built-in biases and a tendency to see things the way they want them to look.

That's why a professional consultation from Creative Consultation Services is so valuable. CCS consultants come into your organization with an objective, third party perspective. Trained to see both the forest and the trees, they discern symptoms and problems and know what to do with each. They develop a thorough analysis, then a precise plan of action. Once you begin implementing the plan, the consultant will follow-up to provide further direction. To find out more, write or call the Church Growth Center at:
