ROSTER OF CONGREGATIONS

As of September 16, 2011

The roster of congregations includes all member congregations as well as forming congregations of the Evangelical Lutheran Church in America. All changes and corrections to this roster should be reported to the office of the synod in which the congregation is located. The synod office will report the changes to the Office of the Secretary of the Evangelical Lutheran Church in America. Congregation e-mail address changes may be reported directly to the Office of the Secretary at conginfo@elca.org. Links to congregation Web sites can be found on the ELCA Web site, www.elca.org. Information about linking a congregation's Web site to the ELCA Web site is also available at www.elca.org.

Congregations under development have been included on the roster through September 16, 2011, and are identified with an "F" after the congregational ID number. (Refer to the listing of congregations under development on pages 285-289.) Congregations that have consolidated, merged, withdrawn, or disbanded are identified on the roster through September 16, 2011.

The location of the congregation is listed on the first line with the mailing address following on the second line. If the location and mailing address are identical, the address and zip code are listed on the first line.

Membership and financial statistics are those reported by the congregations as of December 31, 2010. An asterisk (*) preceding the membership statistics of a congregation indicates that statistics for 2010 were not available and figures are those of a previous year.

The names in the **Rostered Staff** column are those of pastors, associates in ministry, diaconal ministers, and deaconesses rostered by the ELCA or one of its full communion partners.

The membership statistics are: **BAPT.**—baptized membership; **AV. ATT.**—average worship attendance. The financial statistics are: **CURR. EXPENSES**—current operating expenses; **BENEV.**—Mission Support.

Each congregation's five-digit identification number is shown after the region/synod designation.

FULL COMMUNION COOPERATION

The Evangelical Lutheran Church in America has established relationships of full communion with the Presbyterian Church (U.S.A.), the Reformed Church in America, the United Church of Christ, the Moravian Church in America, The Episcopal Church, and the United Methodist Church. Full communion agreements provide for the existence of federated congregations, union congregations, and the interchangeability of clergy.

Federated congregations are congregations that are formed and maintained "with the approval of both the synod in which the congregation is located and the comparable ecclesiastical entity of one or more church bodies with which a relationship of full communion has been established" (churchwide bylaw 9.91.01.). Union congregations are "formed by two separate congregations that shall continue to exist as separate but cooperating entities. The separate congregations in a union congregation shall be related to their respective church bodies that have established a relationship of full communion. . ." (churchwide bylaw 9.91.02). Clergy from another church body with which this church has established a relationship of full communion serve under authorization from the appropriate synodical bishop.
