

2024 Domestic Grants

ELCA World Hunger's domestic grants accompany congregations and their partners throughout the United States and Caribbean as they draw on the strengths of communities to address local issues such as food security, housing, job access, clean water, human rights, policy change, leadership development and more. Together, these ministries are part of a comprehensive approach to breaking the cycle of poverty and hunger – for good.

ELCA World Hunger gives thanks for the **147** domestic ministries that will be putting **\$1,533,936** to work through ELCA World Hunger grants domestically in 2024:

- **46** ministries across this church have been awarded **2024 Domestic Hunger Grants** for a total 3- year (2024-2026) investment of \$1,279,590 with an average 3-year award of \$9,272 per ministry(*).
- **52** ministries awarded **2023 Domestic Hunger Grants** and **37** ministries awarded **2022 Domestic Hunger Grants** will receive continued funding in 2024 for a total investment of \$1,233,936 in ministry through Domestic Hunger Grants.
- **Big Dreams** don't happen overnight or in a year, so in a move toward more sustainable funding for our partners we are extending the awards for up to three years, depending on the needs of the ministry, and to match our Domestic Hunger Grant model. The **12** original 2022 Big Dream Grant partners are designated with a (†). Our total three-year investment will be **\$1,948,144**.

ELCA World Hunger is grateful to be in partnership with the following ministries, working together toward a just world.
