Domestic Hunger Grant Letter of Inquiry Guide

Prior to submitting a full grant proposal for the 2024 Domestic Hunger Grant, we ask grant applicants to fill out a letter of inquiry (LOI) which briefly describes the project proposal. Once the LOI is submitted, it will be reviewed by their respective ELCA Synod for comments. ELCA World Hunger staff will go through a final review of the LOI and if accepted, will invite grant applicants to submit a full proposal through the ELCA GrantMaker system. To ensure that your experience applying for a Domestic Hunger Grant is as smooth as possible, we have prepared the simple reference below to guide you through submitting your letter of inquiry. Please read the instructions thoroughly. Thank you for your work toward a just world. We are looking forward to learning more about your ministry!

Letters of Inquiry are due to ELCA World Hunger by May 31, 2023,

The letter of inquiry is a brief summary describing your grant request. Remember this is not yet a grant proposal. Basic questions to answer in your letter of inquiry include:

- What systemic issues are being addressed in the communities served?
- Who are the participants?
- How does your organization or project plan to address systemic issues in the communities served?
- What is the amount you will be requesting? Is this a single year or a multi-year request?
- Is this an existing organization or project or is it a new one?
- Is the organization or ministry directly implementing the project or is it in partnership with other entities?

The LOI will be reviewed based on our transformative, holistic and integrated priorities (Learn more about our priorities at www.elca.org/domestichugergrants) and the grant criteria and eligibility outlined below. All LOIs are due on or before May 31st. The review process will occur in June in which all grant applicants will be informed (decline or accept) on or before July 31st.

GRANT AWARDS

- Awards will be for up to a three-year cycle, with a maximum award of \$10,000 per year, contingent upon the completion of annual evaluations and fund availability. New applications are accepted annually.
