

Take Me to Your Leader

A: Ok...Let's play a little Copy Cat!

B: You take the lead!

A: Hey you! Follow me! (Begins with an easy gesture to mimic)

B: (Mimics the gesture or trick and chooses a little more difficult one) Hey you! Follow me!

A: (Mimics the gesture or trick and chooses a little more difficult one) Hey you! Follow me!

B: (Breaks the pattern) OK! You win! AGAIN! (Gives him/her a high-five) Geez! (Looks at his watch) I gotta go! It's getting' late!

A: Me, too! I gotta be home before dark!

Zuna: (Overpowering voice from above – using a megaphone to distort it a little) Vacate the premises! (A makeshift spacecraft is thrown across the stage from backstage.)

A&B: (Both kids back out of the way, shouting) Wait a minute! Who's there? What are you talkin' about?!!

Zuna: (With a resounding voice) I said....

B: No need to repeat yourself! We heard ya loud and clear!

Zuna: Then step aside so I can lower my landing gear!

A: (Sarcastically) Yeah right!

B: (Looks around for the spacecraft) Hey, where'd he go? I thought he was landing here?

A: Is he for real or have I just been playing too many space games on my X-box?!!

Zuna: (Walks in and snaps to attention, dramatically extending his right arm - displaying an "L" with his/her thumb and pointer finger and then he places it over his heart before he speaks) Lord be with you!

A: (Extends his hand to shake it) And also with... (Interrupts himself) Hey, wait a minute! Where'd you get that line?!

Zuna: I picked it up when I was cruising through an intergalactic Lutheran Church! (Holds up the "L" finger sign and looks it over)

B: No way!

A: Yes way! Remember?!! Pastor (Insert our pastor's name) said we were supposed to go and make disciples all the way to the ends of the earth!

B: Yeah, but.... (Turns to the alien) What are YOU doing here, anyway?!

Zuna: I'm on a Faith Trek, looking for the master of the universe! I was just crusin' by - faster than the speed of light - when I thought I heard you say "Take me to your leader."

A: (Interrupts) Whoa! You better check your scanner screen. We're not on the Starship Enterprise!

B: No way! We're just a couple kids playin' a game of Copy Cat on the planet earth!

A: Yeah! Ya Wanna play?! (Shout it out like you did during the game) "Hey you! Follow me! (Gestures a pattern to follow)

Zuna: My point, exactly!

B: What is your point, EXACTLY?!

Zuna: Well if someone's following – there someone must be leading! So... take me to your leader!

A: But we're just a couple of kids....

Zuna: Yes! I've already imprinted that observation. So...You don't have a supreme ruler in your universe?!

B: Ya wanna bet?!! We've got THREE in one!

A: We do?!!

B: Yeah, we do! We've got the Almighty God and then we've got the Son and then...we've got the Spirit...

A: That's right! All three of them are one God through out all eternity!

B: Yup! They're called the Trinity!

Zuna: That's the one I'm lookin' for! Can you Take me to 'em?

A: Well, we can tell you all about 'em and what they've done for us....

B: But then, you've got to open that satellite dish of yours and encounter God's love for the sake of your own universe!

Zuna: This does not readily compute! Could you re-enter it into my system, please?!

A: Look! Here's the deal! When God created the universe and it was an amazing place to be!

B: Then people messed it up by trying to do their own thing!

A: That's what we call sin!

B: So, God, the Creator, sent Jesus, God's Son Jesus to die for our sins so we could be free to begin all again....

A: And, then God sent God's Spirit to live in our hearts and minds...

B: To make it easier for us to be God's hands and feet and voice to speak!

A: (Looks at B) Whoa! We're good!

B: That's 'cuz we're from ...

A&B: Confirmation Class (Cite current year)!! (Share "high fives" and acclamations, such as "Yeah! Alright! and "Way to go!")

Zuna: Well, I must say! I am impressed! So, your leader lives within you?!!

A: Sorta -I mean we still get to be the cool lookin' dudes/dudettes God first made us to be!

B: (Runs fingers through hair and looks "cool.") Totally!

A: But, we are all made with different interests, strengths and abilities so that God's amazing grace and creativity can shine for all the world or...uh... the universe to see!

Zuna: So your God Almighty gifts you all with abilities and desires to share evidence of God's presence and activity in the universe?!

B: Yup! In fact, you're lookin' at two very fine specimens!

A: Who, me and ...you?!

B: Totally! Remember Pastor (Insert your pastor's name) told us that we're all LED to LEAD!

Zuna: So, you're on a faith trek, too?!

A: Yup! I guess we're all on a lifelong quest to do our best!

B: And, God gives us tons of ways to serve God and others everyday along the way!

A: No matter where you live in the Milky Way!

B: (Turns to Zuna) Where are you from again?!

Zuna: I'm from Sin-b-gone near the No-tell Solar Stream....

A: Sounds pretty far out there to me!

Zuna: Well, this has been quite an enlightening experience!

A: That's 'cuz there are a lot of fire flies flying around tonight! (Pretends to catch a firefly.)

B: Tonight?! Ew -That's right! I'm going to be in so much trouble for comin' home so late!

Zuna: (Snaps to attention, dramatically extending his right arm - displaying an "L" with his/her

thumb and pointer finger) **Leaders and followers of God, the Trinity, I have found the Master of the universe on the planet earth!** (placing the "L" over his heart before speaking again) **The Lord be with you!**

A: (Extends his hand to shake Zuna's) **And intergalactically with you!**

Zuna: (Shakes his hand and then raises his arm above him to signal the following request)
Beam me up, Trigganon!

B: **Trigga-who! - Geez! My Mom's never gonna believe this!**

A: **Wouldn't it be cool if we could just ride around lookin' for God's presence and activity in the universe?!!**

B: **I think God's got enough for us to do right here!** (Steps up to the audience, snaps to attention, dramatically extending his right arm with his/her thumb and pointer finger displaying an "L") **To your faith trek and mine!**

B: (Picks up his/her jacket off the ground and swings it high into the air as he/she speaks)
And we have "lift-off!" (Catches it and throws it to A)

A: **Right on!** (Throws the jacket back to him and waves an outstretched arm, making an "L" sign)

A: **Lord be with you!**

B: (Mimics the outstretched arm, with an "L" sign)
Right back at you!

(A and B walk off stage in separate directions.)
