

## **Module 1: ALL YE, ALL YE, COME HOME FREE – Come On In! Gathering Activities**

The Come On In! Gathering Activities are designed to be entry points for engaging participants as they gather. They highlight the theme and content of the event and provide tools for integrating its various components. Scan the three activities and adapt them to honor your schedule and intent.

The descriptions for these activities, along with the pattern sheets and participant handouts are outlined below. A Program Planning Grid (PDF File) is available to assist you in coordinating the many details and/or tasks involved. You may want to display a sign to distinguish the Come On In!
