

### **Module 3: Happy New Year! - Please Wait to Be Seated! Gathering Activities**

Please Wait to Be Seated! Gathering Activities are designed to be entry points for engaging participants as they gather. They introduce the theme and content of this event and provide tools for integrating its various components.

The description for these activities, along with craft patterns and participant sheets, are outlined below. A Program Planning Grid (PDF file) is available to assist you in coordinating some of the details and tasks involved. You may wish to display a sign to distinguish the gathering activities from the learning centers. A "Please Wait to be Seated" sign design (PDF file) is provided for this purpose.

Scan through the program offerings and feel free to adapt them to enrich your own schedule and intent. You might also consider using these activities to enrich other intergenerational or age-specific events throughout the year.
