

## **The Proclamation Station: FPBN Gathering Activities**

The FPBN Gathering Activities are designed to introduce the thematic context and content for this event and provide tools for integrating its various components. They will establish the Proclamation Station as multi-media center for learning to name, claim and proclaim God's story.

It is important to note that the FPBN -The Faith Public Broadcasting Network – is designed to help children, youth and adults find their place in God's story and grow in their understanding and desire to share the Good News.

The Proclamation Station: Now & Then, the FPBN Welcome Center and Studio P3 will provide photos, ID cards and "Go-Tell" mega-phones to highlight and record the key learning from each "Go-Tell" Media Center.

The description sheets for these activities, along with craft patterns and participant sheets, are outlined below. A Program Planning Grid (PDF file) is available to assist you in coordinating some of the details and tasks involved. You may wish to display a sign to identify the location for each gathering activity.

Scan through the program offerings and feel free to adapt them to enrich your own schedule or intent. You might also consider using these activities to enrich other intergenerational or age-specific events throughout the year.
