

Ohio | With support from ELCA World Hunger, Holy Trinity Lutheran Church in Lexington and New Lebanon Lutheran Church in Junction City are collaborating with local partners to serve meals and provide vital resources to seniors, people living in addiction rehabilitation residences and families in rural Appalachian communities.

Bosnia and Herzegovina | Thanks to your generosity, Lutheran Disaster Response has distributed supplies to migrants traveling through southeastern Europe and ensured that they reach refugee service centers safely.

Tanzania | After joining a community microfinance group, Bishara was able to open a juice and ice cream business. Gifts to ELCA World Hunger empower women such as Bishara to generate their own incomes and support their families.

Indonesia | After fire ravaged a marketplace in North Sumatra, Indonesia, leaving many families without their main source of income, Lutheran Disaster Response helped business owners restock their shelves and rebuild their livelihoods.
